

2019 Hare Scramble Rules and Classes

Race Rules

- We race in the rain, snow or 100 degree dust storms
- Races will be cancelled for frozen ground or lightening
- The race is two hours for two hour classes, one hour for the one hour classes and 30 minutes for the mini classes
- Checkered flag will be brought out right on the end times
- White flag will be brought out at 45 minutes for hour classes, 25 minutes for mini classes and 105 minutes (1 hour 45 minutes) for two hour classes

- The course will be marked with arrows printed on orange, red, green or blue markers
- A single marker turned at an angle signifies a turn. Marker is ALWAYS on the inside of the turn and you must pass around it
- If you miss a marker or pass on the wrong side you must go back and do it properly, failure to do either of these will dock one lap from your total
- Classes will start in rows
- The first digit in number is the row in which you start
- During the race there will be one check point
- You must pass under the RFID reader to be counted
- The race will be scored with RFID stickers placed under each racers visor of their helmet
- **We are NOT responsible for RFID's that DO NOT work---the rider must confirm that the RFID was read on the rider display. If you RFID was not read and your information displayed on the monitor, then you must stop at the window so your lap can be entered manually**
- ALL machines must have numbers on all 3 number plates as well for back up scoring
- Separate gate for 1 hour and 2 hour classes which will be marked
- You must go through correct gate to be scored
- The scoring lane must be entered in a slow manner. No rider shall pass another rider while in scoring area, unless a rider has fallen and can be safely maneuvered around. If you are racing or passing in the scoring lane, you will be docked one lap
- No one is allowed on the track before the race and no riding until the parade lap

- Riders are responsible for the condition of their motorcycle or ATV, for determining the safety of the course and to assess their own abilities, and for the condition of their protective apparel, which includes helmets, boots, gloves, etc.
- A rider must start, finish, and ride the entire race on the same machine

- Awards will be given for 1st-3rd places in all trophy classes except peewee and mini's where places 1st-5th will be awarded
- There also will be yearend awards for the 1st-3rd place finishers in each class
- **All races will count towards points and year end class awards**
- You must race 51% of the races to be eligible for the yearend awards
- Points will not carry over if you change classes midseason
- **If there is an average of more than 5 riders in the class, the top 2 riders from each class will be required to advance up to the next higher class for the next year**

Race Scoring Points system

1st place 25 pts

2nd place 22 pts

3rd place 20 pts

4th place 18 pts

5th place 16 pts

and every place from there on is decreased by one point until 21st – 0 pts

Absolutely no riding before the race or non-member riding after the race. Thank you
